The Safe Space Alliance is a LGBTQI+ led non-profit organisation that aims to help people identify, navigate, and create safe spaces for LGBTQI+ communities worldwide.

A safe space is a space where LGBTQI+ communities can freely express themselves without fear. It is a space that does not tolerate violence, bullying, or hate speech towards LGBTQI+ communities.

Anyone with a genuine interest in creating safe spaces can join us and add a space (or spaces) to the safe space directory.
